

BUCKS FOR BIKES: GET MONEY BACK WHEN YOU PURCHASE A NEW BICYCLE FOR COMMUTING!

ANNOUNCING...

The Commuter Bicycle Incentive program from Solano Napa Commuter Information!

- ◆ What is it? A program to promote and increase bicycling by helping offset the cost of a new bike for commuting. This is thanks to funding from the Bay Area Air Quality Management District and the Solano Transportation Authority.
- ◆ How much will I get? 60% of the cost of a new bike, up to \$100 per person.
- ◆ Who's eligible to apply? Any Solano resident or employee over the age of 18 who agrees to program rules and guidelines.
- ◆ What's involved? First, request a program application, then get a quote on a new bike. Send in your quote and application. We'll let you know if you're chosen to receive an incentive. Next, buy the bike, send SNCI the receipt, and we'll send you a check within a month. The bike must be for commuting to work. Finally, answer surveys to find out how your bike commuting is working out.
- ◆ Will everyone who applies receive the incentive? No. Qualified applicants will be selected based on their application. There is no deadline, but program funds are limited to approx. 50 participants.
- ◆ How do I get more details? Fill in the info below, and send or fax it to:
