## **Solano Transportation Authority Seeks Volunteers for Citizens Advisory Committees**

**Suisun City, CA** – The Solano Transportation Authority (STA) currently has several vacancies on the Solano Pedestrian Advisory Committee (PAC) and the Solano Paratransit Coordinating Council (PCC).

Each committee reviews and recommends projects for the STA Board to consider funding. The Pedestrian Advisory Committee is primarily responsible for implementing the STA's award-winning Countywide Pedestrian Plan and advising the STA Board on pedestrian oriented projects. The Paratransit Coordinating Council is primarily responsible for monitoring and advising the STA Board on significant countywide transit activities. Both committees meet once every other month.

Interested volunteers are encouraged to contact STA Associate Planner Robert Guerrero at 707-424-6014 for more information.
